1. Stuff I've learned
2. Stuff I wished I knew back then
3. Stuff I'm working on, or trying to learn still

- Not everything applies to everyone – as with most things outside of Physics
 - Most experiences can't be replicated, but we can learn from them
 - Your mileage will vary
 - If nothing else, I hope you'll enjoy the pictures.
-
- Please ask dumb questions, as well as smart ones and anything else you have.
 - Not just right now... Always ;-)
 - **No more bullet points. I swear.**
